MINT CONDITION - ONLY 3 WEEKS OLD!!

Fully under warranty, this Xbox 360 was manufactured in September 2006, and is one of the very latest off the production line. Purchased on 27th November this year, you will have almost a **full year of warranty** from the retailer. Naturally, the original receipt will be provided.

The unit is in pristine, mint condition, in full working order, absolutely no marks or scratches, and all accessories are bagged (most haven't even been used and are still in their original packaging. The manuals are still sealed and the unit has not been registered with Microsoft yet. The system is a UK, PAL spec Premium unit (cost £279), so you get a 20 GB hard drive, headset and wireless controller as part of the package. Note I haven't shown the AC adapter in the photos, as it's rather big and ugly, but don't worry - it's all in there!

We are a smoke free household.

Included in this sale are 9 of the very best games including:

- GEARS OF WAR
- TOM CLANCY'S GHOST RECON ADVANCED WARFIGHTER
- PROJECT GOTHAM 3
- OBLIVION
- RIDGE RACER 6
- DEAD RISING (COLLECTORS EDITION)
- PERFECT DARK ZERO (COLLECTORS EDITION)
- KAMEO ELEMENTS OF POWER
- TIGER WOODS GOLF '07

The combined cost of these games is over £450, and they represent the very best titles available for the system.

Additionally, I am including a **wireless network adapter** (cost £59) so you can play on xbox live without cluttering your place up with wires..

If you have any questions about this sale please feel free to ask - **I don't rip people off on postage**, so you will simply pay what it costs - in fact you are more than welcome to arrange collection/delivery yourself - I would recommend parcel2go.com, who will charge around £20 for high value items such as this.

Many thanks for looking, and I'm sure you'll agree that this represents one of the better Xbox 360 deals on ebay at the moment!
