STD = Standard Option

\*Trailer fitted with 175/75R tyres as standard. 6.50R16 tyres available as a factory fit for an additional £100 per trailer.

\*\*Telescopic partition only.

\*\*\*Supplied loose, requires fitting to trailer.

HB510XL & HB610 also available in silver for additional £80 & £85 respectively.

**Prices are ex-works and are subject to delivery charges and the VAT rate applicable at the date of supply.**

Optional accessories have been priced as factory fit items, ordered with your trailer. If ordered at a later date, your distributor may need to fit the items, which could result in fitting charges being incurred.

Product design, descriptions, colours, specifications are correct at the time of going to press. We constantly strive to improve our products and from time to time this may result in changes to our range or to individual models. Please check that design, description, colours and specifications described in this brochure are still valid at the time of placing an order.

Our distributors have extensive product knowledge and will be pleased to offer assistance in the selection of your horsebox.
